Bar guy: this game is from like 1996 what the fuck

Other bar dude: Yea

me, sitting in corner with an IPA i snuck in:

> Remember boys
> Your nation is occupied and you are under siege. There will be no white horse coming to help, no one is coming to save you. Things aren't going to get better.
> Do what you can to improve your situation and find a home. Find community. Good luck. All of you.
